

Camp Illahee Packing List

Junior Session Campers, please refer to *italics* for quantity or items not applicable(N/A). If there are no *italics*, the item is still recommended.

Please put first and last name on all items. Mabelslabels.com has great options for this.

Trunks are a fun part of the camp experience. We recommend soft-sided trunk, like the pop-up soft trunk sold by everythingsummercamp.com. Big, heavy, trunks limit the space around the bed as they will not fit under it.
