A Day In the Life

There are times in my life, when I am so afraid,
And I can't seem to find where I belong.
I will love who I am, and learn from my mistakes,
For we all have our own special song.

Chorus:

And the life I live, and the love I give,
Will flow free like the rivers and the streams,
And wherever I go, I will always know,
It's a day in the life of my dreams.

I will reach out my hand, to show that I care,
And encourage those whose tears they cannot hide,
I will learn how to trust, and to ask when I need help,
And to talk about my feelings deep inside.

Chorus

I have dreams, I have songs, that I carry in my heart,
As I walk in harmony upon the earth,
Like the sun in the sky, the leaves beneath the wind,
I will realize the value of my worth.

Chorus

A Whole New Squirrel

I ran over a squirrel,
In my brand new Ferrari,
Guts and fur on my windshield,
That I just cleaned last week.

A whole new squirrel.
The second one I killed this week,
I don't know where they go but all I know,
Is that there is a pancake on the street!

Annie Mae

Annie Mae, where are you going?
Upstairs to take a bath.
Annie Mae with legs like toothpicks,
And a neck like a giraffe.

Annie Mae stepped in the bathtub,
Annie Mae pulled out the plug,

Oh my goodness, Oh my soul,
There goes Annie Mae down that hole!
Annie Mae? Annie Mae? glub, glub, glub

Ash Grove

Down yonder green valley where streamlets meander,
When twilight is fading, I pensively roam.
Or at the bright noontide in solitude wander,
Amid the dark shades of the lonely ash grove.
'Tis there where the blackbird is cheerfully singing,
Each warbler enchants with his notes from a tree.
Ah, then little think I of sorrow or sadness,
The ash grove enchanting spells beauty for me.

Austrian Climbing Song

Once an Austrian went climbing, on a mountain top high,
When along came an avalanche, interrupting his cry,

Oh-lei-ah, oh-le-ah-ke-kei, oh-le-ah-ke-kei -Swoosh
oh-le-ah-ke-kei, oh-le-ah-ke-kei -Swoosh
oh-le-ah-ke-kei, oh-le-ah-ke-kei -Swoosh
oh-le-ah-ke-kei, Ohhhh...

Additional Verses:

A grizzly bear-Swoosh, grr
A St. Bernard-Swoosh, grr, hah, hah
A Milking Maid-Swoosh, grr, hah, hah, chh, chh
A pretty maid-Swoosh, grr, hah, hah, chh, chh, kiss, kiss
The maid's papa-Swoosh, grr, hah, hah, chh, chh, kiss, kiss, Bang! Bang!

I'm squishing up a baby bumblebee,
Eww! He's gooey!

I'm lickin' up my baby bumble bee
Won't my mommy be so proud of me?
I'm lickin' up my baby bumble bee
Oh no, I don't feel so good!

I'm throwing up my baby bumble bee,
Won't my mommy be so proud of me?
I'm throwing up my baby bumble bee,
Oh no, it's all messy!

I'm mopping up my baby bumble bee,
Won't my mummy be so proud of me?
I'm mopping up my baby bumble bee,
Oh look! A butterfly!

Belly Button Song

I've got a button and it's not on my shirt, da na na na
I've got a button and it's not on my skirt, da na na na
I've got a button, it's a part of me.
It's a button in the middle of my tummy.

It's my belly button,
And it's holding me together.
It's my belly button,
And it's right underneath my sweater.

One, two, well do you?
No, a zipper will not do,
Nor a snap or safety pin,
Sing the belly button song again...

Repeat verses 1 & 2 and then...

One, two, well do you?
No, a zipper will not do,
Nor a snap or safety pin,
The belly button song is at an end!

Big Fig Song

Ooey, gooey, rich, and chewy inside,
Golden cakey, tender flaky outside.
Wrap the inside in the outside,
It's a good darn tootin'
It's the big Fig Newton!

One more time,
It's the big Fig Newton!
Here's the tricky part,
It's the big Fig Newton.

Birthday Song

Oh, Birthday Queen, oh, Birthday Queen, we wish you joy today,
Oh, Birthday Queen, oh Birthday Queen, may you always
be bright and gay.

We love the ice cream and the cake, which at our camp
the cook doth make.

Not only for our queen today, let's have more birthdays
for goodness sake!

“Happy Birthday to You...”

Put your foot on the LOUD, LOUD (bang, bang) pedal,
Let's make a lot of noise!

For there's someone here who deserves a medal, just look at her poise!

Here's to ____, here's to you,

You're a good scout through and through,

Put your foot on the LOUD, LOUD (bang, bang) pedal,

Let's make a lot of noise!

Put your foot on the soft, soft (shh!, shh!) pedal,

Don't make any noise!

For there's someone here who deserves a medal, just look at her poise!

Here's to ____, here's to you,

You're a good scout through and through,

Put your foot on the soft, soft (shh!, shh!) pedal,

Don't make any noise!

Brown-Eyed Girl

Hey, where did we go?
Days when the rain came
Down in the hollow
Playin' a new game
Laughin' and a runnin' Hey! Hey!
Skippin' and a jumpin'
In the misty mornin' fog well
Ah, our hearts were thumpin' and you
My brown eyed girl
You my brown eyed girl.

Whatever happened
To Tuesday and so slow?
Going down the old mine
With a transistor radio
Standing in the sunlight laughing,
Hiding behind a rainbow's wall,
Slipping and sliding
All along the waterfall, with you
My brown eyed girl,
You my brown eyed girl.

Chorus:

Do you remember when
We used to sing
Sha-la-la la la la la la te da
Sha-la la la la la la la te da
La te da

So hard to find my way,
Now that I'm all on my own.
I saw you just the other day,
My how you have grown,
Cast my memory back there, Lord
Sometime I'm overcome thinking 'bout
Standing in the green green grass
Behind the stadium with you
My brown eyed girl,
You my brown eyed girl.

Bungalow Song

I'll build a bungalow, big enough for two
Big enough for two, my darling, big enough for two.
And when we're married, happy we'll be
Under the bamboo under the bamboo tree

If you'll be M-I-N-E mine
I'll be T-H-I-N-E thine
And I will L-O-V-E love you
All the T-I-M-E time
You are the B-E-S-T best of all the R-E-S-T rest
And I will L-O-V-E love you all the T-I-M-E time
Hey!

Camp Time, Tramp Time

Camp time, tramp time, hear the distant call,
Lakes and woodlands beckon one and all,
Trails are winding at the break of day,
So pack your backpack and let's go away!
Oh, Illahee, our camp here's to you,

To the gold and the blue ever true,
In each thought, and each word, and each deed,
We'll hold our colors in the lead,
Our work and our play will unite,
All the girls and their friendships undying,
And so for our camp we will cheer-
Illahee first! Illahee last! Our camp forever! HEY!

Canoe Song (sung in a round)

Our paddles keen and bright,
Flashing like silver,
Follow the wild goose flight,
Dip, dip, and swing,
Dip, dip, and swing her back,
Flashing like silver,
Swift as the wild goose flight,
Dip, dip and swing.

Cider Song

The cutest boy (echo), I ever saw (echo)

was sippin’ ci-i-ider (C-I-D-E-R echo) through a straw (echo)

I asked him if (echo) he’d show me how (echo)

to sip that ci-i-i-der (C-I-D-E-R echo) through a straw (echo).

I asked him if he’d show me how to sip that ci-i-ider through a straw-aw-aw-aw-aw.

He said he would (echo) he’d show me how (echo)

to sip that ci-i-i-der (C-I-D-E-R echo) through a straw (echo).

He said he would, he’d show me how

to sip that ci-i-i-der through a straw-aw-aw-aw-aw.

First cheek to cheek (echo), then jaw to jaw (echo),

we sipped that ci-i-i-der (C-I-D-E-R echo) through that straw (echo).

First cheek to cheek, then jaw to jaw, we sipped that ci-i-ider through a straw-aw-aw-aw-aw.

Cider Song (continued)

And now and then (echo) , that straw would slip (echo), and we were sipping lip to lip (echo).

And now and then, that straw would slip, and we were si-i-ping lip to li-i-i-i-ip.

That's how I got (echo) my mother-in-law (echo) and 48 brats (B-R-A-T-S echo) to call me maw (echo). That's how I got my mother-in-law and 48 brats (B-R-A-T-S echo) to call me ma-aw-aw-aw-aw.

Deep in the Heart of Africa

Deep in the Heart of Africa

Her name, her name was Louise

An elephant named Joe
And every night, by the pale moonlight
He'd serenade her soul

Desperado

Chorus:

Oh, what a big, bold man was this desperado,
From Cripple Creek, way down in Colorado,
And he horsed around just like a big tornado,
And everywhere he went he gave his war whoop!

He rode out of the wild and the wooly, wooly west,
He rode into Chicago just to give the west a rest,
He wore a big sombrero and two pistols by his side,
And everywhere he went he gave his war whoop!

Chorus

He saw the big policeman come a strollin' down the street,
He saw the Desperado come a strollin' down the street,
He took him by the collar, and he took him by the seat,
And put him where he couldn't give his war whoop!

Chorus

Down by the Bay

Friends

Packing up the dreams God planted in the fertile soil of you,
Can't believe the hopes He's granted,
Means a chapter in your life is through,
But we'll keep you close as always,
It won't even seem you've gone,
'Cause our hearts, in big and small ways,
Will keep the love that keeps us strong.

Chorus:

And friend are friends forever,
If the Lord's the Lord of them,
And a friend will not say never,
'Cause the welcome will not end.
Though it's hard to let you go,
In the Father's hands we know,
That a lifetime's not too long, to live as friends.

With the faith and love God's given,
Springin' from the hope we know,
We will pray the joy you'll live in,
Is the strength that now you show,
But we'll keep you close as always,
It won't even seem you've gone,
'Cause our hearts in big and small ways
Will keep the love that keeps us strong.

Chorus

For they're a part of you and you're alive.

Chorus:

It's amazing how you care,
It's amazing (clap) how you're always thinking of me,

On who I am and what I want to be.
There's a yearning deep inside me and a longing to be free,
And it always brings me back to you again...Chorus

Kookaburra sits on the old gum tree,
Merry, merry king of the bush is he.
Laugh, Kookaburra, laugh, Kookaburra,
Gay your life must be.

Kookaburra sits on the old gum tree,
Eating all the gumdrops he can see.
Stop, Kookaburra, stop, Kookaburra;
Leave some there for me.

Kookaburra sits on the old gum tree,
Just as sick as he can be.
Poor Kookaburra, poor kookaburra,
Sad your life must be.

Linger

Mmm, I wanna linger here,
Mmm, a little longer here,
Mmm, a little longer here with you.

Mmm, it's such a perfect night,
Mmm, it doesn't seem quite right,
Mmm, that it should be my last with you.

Mmm, and in September,
Mmm, we will remember,
Mmm, our camping joys and friendships true,

Mmm, and as the years go by,
Mmm, we will look back and sigh,
Mmm, it was goodnight and not goodbye.

Little Bunny Foo Foo

Little Bunny Foo Foo hopping through the forest
Scooping up the field mice and bopping them on the head.

(Spoken) Down came the Good Fairy and she said:
Little Bunny Foo Foo I don't want to see you
Scooping up the field mice and bopping them on the head.

I'll give you three (two, one) chances,
And if you don't stop, I'll turn you into a Goon!

And out popped the little green frog. Um Ah!

Make New Friends

Make new friends,
But keep the old,
One is silver, and the other gold.

A circle is round,
It has no end,
That's how long I want to be your friend.

Mr. Moon

Oh, Mr. Moon, moon, bright and shiny moon,
Won't you please shine down on me.
Oh, Mr. Moon, moon, bright and shiny moon, hiding behind that tree.
Oh well I'd like to love you, but I gotta run,
'Cause there's a man behind me with a gatlin' gun,
Oh Mr. Moon, moon, bright and shiny moon,
Won't you please shine down on,
Talk about your shinin', won't you please shine down on me,
Shine down on meeeee!

Old MacDonald

Old MacDonald had a farm, EIEIO,
And on that farm he had a home,
Home, home on the range,
Where the deer and the antelope play,
Down by the old mill stream,
Where they chopped down the old pine tree
TIMBER, And they hauled it off to the mill, mill, mill, mill.

Old MacDonald had a farm, EIEIO.
And on that farm he had a dog,
Oh where, oh where could my little dog be,
Oh where, oh where could he be?
Back to home....

And on that farm he had a sweetheart,
Let me call you sweetheart, I'm in love with you
Let me hear you whisper,
Back to dog and up....

Old MacDonald (continued)

And on that farm he had a car,
See the USA in a Chevrolet,
And hear them say.....
Let me call you sweetheart...

On My Honor

Chorus:

On My honor I will try, there's a duty to be done and I say aye,
There's a reason here, for a reason above,
And my honor is to try, and my duty is to love.

People don't need to know my name,
If I do any harm, then I'm to blame,
If I help another, then I help me,
And I open up my eyes to see...Chorus

I've tucked away a song or two,
If you're feeling low,
There's one for you,
If you need a friend then I will come,
And there's many more where I come from... Chorus

Come with me where a fire burns bright,
You can even see better than a candle's light,
You can find more meaning in a campfire's glow,
Than you'll ever learn in a year or so... Chorus

Our Best to You

Our best to you,
May your dreams come true,
May old Father Time,
Never be unkind.
And through the years,
Save your smiles and tears,
They are souvenirs,
They'll make music in your hearts.
Remember this, each new day's a kiss,
Sent from up above, with an angel's love.
So here's to you,
May your skies be blue,
And your love blessed, that's our best to you.

Pass It On

It only takes a spark to get a fire going,
And soon all those around can warm up in it's glowing.
That's how it is with God's love, once you've experienced it,
You spread His love to everyone, you want to pass it on.
Pass it on, boom boom, pass it on...

What a wondrous time is spring, when all the trees are budding,
The birds begin to sing, the flowers start their blooming,
That's how it is with God's love, once you've experienced it,
You want to sing, it's fresh like spring, you want to pass it on.

I wish for you my friend, this happiness that I've found,
You can depend on Him, it matters not where you're bound,
I'll shout it from the mountaintops, I want my world to know,
The Lord of love has come to me, I want to pass it on,
I'll shout it from the mountaintops- PRAISE GOD!
I want my world to know, The Lord of love has come to me,
I want to pass it on.

Pieces of Summer

Chorus:
Pieces of summer linger on
Nobody knows where I hide them,
Still if I try,
I know that I could cry,
And reach those memories before they die.

How many times did we walk alone,
Sharing the quiet of a star filled sky?
Moments like these are cherished from the past,
As dreams in my mind they will last.

Chorus

Leaves will fall and trees will bend,
Leaving the cold for the winter's snow,
If I've touched your heart, and warmed just a part,
Yes it will be summer once again.

Chorus

Pine Tree Song

All hail our own Pine Tree,
So stately and tall,
The symbol of Loyalty, and friendship for all.

Like the Spirit of Illahee,
It always shall be,
Our joy and inspiration, our faithful Pine Tree,
Our joy and inspiration, our faithful Pine Tree.

Day is done, gone the sun,
From the lakes, from the hills, from the sky,
All is well, safely rest, God is nigh, and good night.

Prune Song

No matter how young a prune may be, he's always full of wrinkles.
A baby prune is like his dad, but he's not wrinkled half so bad.
Now we have wrinkles on our face, but prunee has them every place.
No matter how young a prune may be, he's always getting stewed!

(spoken) Little seed inside the pruin', Is it night or is it nooin'?"
What's in there, what 'cha doin'?"
Little seed inside the pruin',
What 'cha doin' pruin, stewin'?"

Rise and Shine

So let's all
Rise and shine and give God the glory, glory
Rise and shine and give God the glory, glory
Rise and shine and (clap) give God the glory, glory
Children of the Lord.

Rocky Top

Wish that I was on ol' Rocky Top Down in the Tennessee hills,
Ain't no smoggy smoke on Rocky Top, ain't no telephone bills.
Once I had a girl on Rock Top—half bear, the other half cat,
Wild as a mink but sweet as soda pop; I still dream about that.

Chorus:

Rocky Top, you'll always be, home sweet home to me,
Good ol' Rocky Top, Rocky Top Tennessee, Rocky Top Tennessee.

Rocky Top (continued)

Once two strangers climbed ol' Rocky Top, lookin' for a moonshine still.
Strangers ain't come down from Rocky Top, reckon they never will.
Corn don't grow at all on Rocky Top, dirt's too rocky by far,
That's why all the folks on Rocky Top get their corn from a jar.

Chorus

I've had years of cramped up city life, trapped like a duck in a pen.
All I know is it's a pity life can't be simple again.

Chorus

Roots (words by Skip Thomas)

Roots that grow, deep and low, bind our friendships together,
Through the years, joys and tears, bless Illahee forever.

Chorus:

Roots that entwine in a love divine, none can ever sever,
Make us strong, we belong to Illahee forever.

Days we share, sweet and rare, fill our memories with gladness,
Campfires bright, cheerful light, drives away our sadness.

Chorus

Rose

Rose, Rose, Rose, Rose
Will I ever see thee wed?

I will marry at thy will, sire,
At thy will.

Scarlet Ribbons

I peeked in to say goodnight, and I heard my child in prayer,
“Send for me some scarlet ribbons, scarlet ribbons for my hair”
All the stores were closed and shuttered,
All the streets were dark and bare.
In our town no scarlet ribbons, not one ribbon for her hair.

Through the night my heart was aching,
Just before the dawn was breaking,
I peeked in and on her bed, in gay profusion lying there,
Lovely ribbons, scarlet ribbons, scarlet ribbons for her hair.
If I live to be a hundred, I will never know from where,
Came those lovely scarlet ribbons, scarlet ribbons for her hair.

Singing In the Rain

Singing in the Rain,
Just singing in the rain.
What a glorious feeling,
I'm ch ch ch ch ch ch ch HEY!
Arms Out
Repeat chorus followed by:
Elbows In
Thumbs Up
Knees Bent
Knees Together
Butt Out
Tongue Out
Turn Around
Sit Down!

Swim Show Song

Down in the meadow by the itty bitty pool,
Swam three little fishies and a momma fishy too,
Swim said the momma fish, swim if you can,
And they swam and they swam all over the dam.

Boom Boom, Diddum Daddum, Waddum Chew,
Repeat 2 more times

And they swam and they swam all over the dam!

Swimming Pool

Swimming, swimming, in the swimming pool
When days are hot
When days are cold
In the swimming pool
Breaststroke, side stroke, fancy diving too
Don't you wish you never had anything else to do!

Swinging Along

Swinging along the open road,
Under a sky that's clear.
Swinging along the open road,
In the fall of the year,
Swinging along, swinging along, swinging along the open road,
All in the fall of the year.

Second part:

Swinging along the open road,
Swinging along under a sky that's clear,
Swinging along the open road,
All in the fall, in the fall of the year.
Swinging along, swinging along, swinging along the open road,
All in the fall of the year.

The Call of the Fire

The Call of the Fire comes to us through the shadows,
That follows the close of the day.
Each flame brings us peace and a calmness of spirit,
That drives all our troubles away.

We're thankful for days and the joys that they give us,
For nights and the rest that they bring.
Let us go on believing in the joy we're receiving,
Tonight 'round the fire as we sing.

Each campfire lights anew, the flame of friendships true,
The joys we've had in knowing you, will last our whole lives though.

And as the embers die away, we wish that we might ever stay,
But since we cannot have our way, we'll meet again some other day.

The Flicker of the Campfire

The flicker of the campfire, the wind in the pines
The stars in the heavens, the moon that shines
A place where people gather to meet friends of all kinds
A place where old man trouble is always left behind

So give me the light of a campfire, warm and bright
And give me some friends to sing with, I'll be here all night
Love is where you find it; I've found mine right here
Just you and me and the campfire and songs we love to hear

So give me the light of a campfire, warm and bright
And give me some friends to sing with, I'll be here all night
Love is where you find it; I've found mine right here
Just you and me and the campfire and songs we love to hear

The Peppiest Camp

The Peppiest camp I ever saw that never comes a pokin',
If I were to tell you how peppy it was, you'd think I was a jokin',

It's not the pep in the pepper jar, or the pep in the popcorn popper,
It's not the pep in the mustard jar, or the pep in the vinegar stopper,

It's good ole fashioned P-E-P! Pep you cannot down,
Illahee's pep, Illahee's pep, peppiest camp around, hey!

The Princess Pat - (a repeat after me song)

The Princess Pat (the princess Pat),
Lived in a tree (lived in a tree).
She sailed across (she sailed across),
The seven seas (the seven seas).
She sailed across (she sailed across),
The channel two (the channel two).
And she took with her (she took with her),
A rig-o'-bamboo (a rig-o'-bamboo).

The Princess Pat (continued)

Chorus:

A rig-o'-bamboo,
Now what is that?
It's something made,
By the Princess Pat.
It's red and gold,
And purple, too.
That's why it's called,
A rig-o'-bamboo.

Now, the Captain Jack
Had a mighty fine crew.
He sailed across,
The channel two.
And his ship sank,
And yours will, too.
If you don't have
A rig-o'-bamboo.

Chorus

Now, the Princess Pat,
Saved the Captain Jack.
She reeled him in,
And brought him back.
She saved his life,
And his crew, too.
And do you know how?
With a rig-o'-bamboo!

Chorus

There Was a Moose (A repeat after me song)

There was a moose
He liked to drink a lot of juice

His name was Fred
He liked to drink his juice in bed

He spilt his juice
Now he's a sticky moose

Time is My Friend

Time is my friend, for every time we meet,
The time we spend is tender and sweet.
We come to sing, and pretty words that rhyme,
And memories that cling, thanks to time.

Long walks to walk, and long talks to talk,
And tall hills to climb, and mountains of time.
Then it's time to go, for everything must end,
I'll see you soon I know, knowing time is my friend.

Today We are Happy (words by Robin Averette)

Today we are happy, we're singing our song,
When're we're together we cannot go wrong,
In working and playing we shall always be,
Learning the life and the love of Illahee.

I have a sister who laughs when I'm happy,
And I have a sister who cries when I'm blue,
I know that she'll be there whenever I need her,
I know that our friendship is true.

And when we have left here,
And when years have flown,
We'll smile and remember the joys we've all known.
Illahee, you've given me fond memories,
Thanks for the love and the friends I have come to know

Today

Chorus:

Today while the blossoms still cling to the vine,
I'll taste your strawberries, I'll drink your sweet wine,
A million tomorrows shall all pass away,
E'er I'll forget all the joys that are mine today.

I'll be a dandy and I'll be a rover,
You'll know who I am by the songs that I sing,
I'll feast at your tables, I'll sleep in your clover,
Who cares what tomorrow will bring? ...Chorus

Today (continued)

I can't be contented with yesterday's glory,
I can't live on promises, winter to spring,
Today is my moment and now is my story,
I'll laugh and I'll cry and I'll sing...Chorus

Wadlee-ah-cha

Wadlee-ah-cha, wadlee-ah-cha,
Doodley-doo, doodley-doo (repeat)
Simplest thing, there ain't nothin' to it.
All ya' gotta do is doodley-doo it.
I like the rest, but the part I like the best is
Doodley-doodley-doo!

Walk Shepherdess Walk

Walk, Shepherdess, walk,
And I'll walk too-

To find the ram with the ebony horn,
And the gold footed ewe-
The lamb with fleece of silver,
Like summer sea foam,
The weather with the crystal bell,
That leads them all home.

So walk Shepherdess, walk,
And I'll walk too-

And if we never find them,
I shan't mind, shall you?

Walkin' to the Fair

One day when I was walkin', a-walkin' to the fair,
I saw a señorita with flowers in her hair.
Shake it, señorita, shake it while you can,
shake it like a milkshake and do the best you can.

Oh waddle to the bottom, oh waddle to the top,
and turn around, and turn around,
and this is where you stop. S-T-O-P- stop!

Watermelon

Just plant a little watermelon on my grave,
And let the juice, trickle through,
Just plant a little watermelon on my grave,
That's all I ask of you.

I've tasted fried chicken, and it's mighty, mighty, fine,
But nothin' could be sweeter than a watermelon vine,
Just plant a little watermelon on my grave and let the juice,
Trickle through!

Welcome to Illahee

Welcome to Illahee, the mountains echo welcome to thee,
Where bowers of flowers bloom in the sun,
Old campers, new trampers, guests, and everyone,
Oh, welcome to our land of jolly fun,
We are happy you have come.
To our guests we'll give a cheer,
"Welcome, welcome, welcome, here!"

When I was at Camp at Illahee

When I was at camp at Illahee,
I lived by the side of the lake, the lake,
And listened to all the queer noises the little bullfroggies did make,
did make.

Chorus:

Chug-a-wamp, wamp, chug-a-wamp, wamp,
Cha da da dee, that is the song they sang unto me,
Chug-a-wamp wamp, chug-a-wamp, wamp,
Cha da da dee, they sang by the light of the moon, the moon.

But soon I got used to the noises, the froggies no more bothered me,
bothered me,

And if you will come to Illahee,
You'll hear their night concerts quite free, quite free!

Chorus

Winnie the Pooh

Christopher Robin and I walked along,
Under branches lit up by the moon,
Posing our questions to owl and Eeyore,
As the days slipped away all too soon.
Now I wandered much farther today than I should,
And I can't seem to find my way back to the wood,

Chorus:

So, help me if you can, I've got to get,
Back to the house of Pooh Corner by one,
You'd be surprised there's so much to be done,
Count all the bees in the hive, 3,4,5,
Chase all the clouds from the sky.
Back to the days of Christopher Robin,
Back to the days of Winnie the Pooh,
Back to the days of Christopher Robin and Pooh

Winnie the Pooh doesn't know what to do,
Got a honey jar stuck on his nose.
He came to me asking help and advice,
And from there no one knows where he goes.
So I sent him to ask of the owl if he's there,
How to loosen a jar from the nose of a bear.

Chorus

Wisdom

God gave the wise men their wisdom,
And to the poets their dreams.
To father and mother their love for each other,
But He left me out so it seems.
I went around broken hearted,
Thinking life was an empty affair,
But when God gave me you,
It was then that I knew,
He had given me more than my share.
So campers clasp hands, and say we'll never part,
For Camp Illahee love, you see, will live within our hearts.

I, the Lord of sea and sky,

My hand will save.
I who made the stars of night
I will make their darkness bright.
Who will bear my light to them?
Whom shall I send?

Chorus:

Here I am Lord. Is it I Lord?
I have heard you calling in the night.
I will go, Lord, if You lead me.
I will hold Your people in my heart.

I, the Lord of snow and rain,
I have borne my people's pain.
I have wept for love of them.
They turn away.
I will break their hearts of stone,
Give them hearts of love alone,
I will speak My word to them.
Whom shall I send?

Chorus

I, the Lord of wind and flame,
I will tend the poor and lame.
I will send a feast for them.
My hand will save.

Whom shall I send?

I Could Sing of Your Love Forever

Over the mountains and the sea,
Your river runs with love for me.

So I will daily lift my hands.
For I will always sing of
When Your love came down.

It's foolishness I know,
But when the world has seen the light.
They will dance with joy,
Like we're dancing now.

In the dance said He.

To show the way,
From the earth to the cross,
My debt to pay...
From the cross to the grave, from the grave to the sky;
Lord, I lift your name on high!

Our God is an Awesome God

Oh, when He rolls up His sleeves
He ain't just puttin' on the Ritz,
Our God is an awesome God.
There's thunder in His footsteps
And lightning in His fists.
Our God is an awesome God.

And the Lord, He wasn't jokin'
When He kicked 'em out of Eden,
It wasn't for no reason that He shed His blood,
His return is very close
And so you better be believin' that our
God is an awesome God.

Chorus: Our God is an awesome God,
He reigns from Heaven above,
With wisdom, pow'r and love,
Our God is an awesome God.

And when the sky was starless
In the void of the night,
Our God is an awesome God.
He spoke into the darkness and created the light.
Our God is an awesome God.

Our God is an Awesome God (continued)

The judgment and wrath He poured out on Sodom,
The mercy and grace He gave us at the cross,
I hope that we have not too quickly forgotten that our
God is an awesome God. Chorus (repeat 2 times)

And His righteousness,
And all these things will be added unto you,

Knock and the door shall be opened unto you,
Seek and ye shall find,
Ask and it shall be given unto you,
Allelu, Alleluia

Shout to the Lord

My Jesus, my Savior, Lord there is none like You.
All of my days, I want to praise the wonders of Your mighty love.
My Comfort, my Shelter, tower of refuge and strength.
Let ev'ry breath, all that I am. Never cease to worship You.

Shout to the Lord, all the earth, let us sing,
Power and Majesty, praise to the King.
Mountains bow down and the seas will roar,
At the sound of Your name.
I sing for joy at the work of Your hands,
Forever I'll love You, forever I'll stand.
Nothing compares to the promise I have in You.

Repeat verses 1 & 2 and then...

Shout to the Lord, all the earth, let us sing,
Power and Majesty, praise to the King.
The mountains bow down and the seas will roar,
At the sound of Your name.
I sing for joy at the work of Your hands
Forever I'll love You, forever I'll stand.

Fare Thee Well

Chorus:

Fare thee well

Fare thee well

Fare thee well all hills of Illahee

Fare thee well

Fare thee well

Fare thee well all campers too

Fare thee well

Fare thee well

As we leave our hearts will tarry

In love and loyalty to you.

To you our fellow campers

We wish peace and love and light.

Each flaming ember a symbol of

Our faith in thee tonight.

Chorus

Illahee Prayer

Lord, give me grace when I go from the mountains,

Away from the things that bring peace to the soul:

Hemlocks and spruces, fresh sweet smelling balsam,

all green things of the earth which in beauty unroll.

Peaks in the sunrise, and peaks in the sunset,

stars of pure gold in clear, silent nights.

Mists full of stillness, bright clouds of soft whiteness,

mystical glowing of far northern lights.

Help me, I pray, when these joys are behind me,

when down to the flat-lying city I go.

Take me in spirit back, back to the mountains,

to rest in thy presence, be still and know.

Amen
